Code 800 FY04 Diversity Metric #3

“During FY04 SSOPD will collect and analyze data from the diversity dialog groups to determine their perception to barriers to success and opportunities within the Directorate. The Code 800 Diversity Working Group will review and analyze this feedback and brief the Code 800 Diversity Council representative.”

- People feel overwhelmed by all of the Goddard Management personnel changes.
- “One Size Fits All Project Development” stifles diversity by restricting local management’s flexibility.
- OneNASA approach erases Center diversity.
- Concern that work place-home life balance is not supported by middle management.
- Wallops and Greenbelt have unequal access to the educational opportunities.
